Community Preservation Committee Members,

This letter is to inform you that I am withdrawing my applications requesting funds for both the Strategic Plan for the City Archives and the Veterans Wing Historic Artifacts Survey.

With the delay in approval by the Community Preservation Committee, the timing of these projects has had a significant change in start date. I may resubmit these projects at a future date as the funding of both of these projects will have a substantial benefit to the City and are worthy of funding from the Community Preservation Committee.

Sincerely,
