

PETITION

We, the undersigned residents of the City of Newton do hereby declare that:

We support CAN-DO'S application for Community Development Block Grant Funds (\$690,250) and community housing funds from the Community Preservation Committee (\$255,000) for 54 Eddy Street Project. The project will create 2 rental units to provide housing for low-moderate income families. We recognize that it is necessary to provide this amount of public funds in order to set rents at an amount affordable to families without rental subsidies. In order to preserve the economic diversity of Newton; it is necessary to provide such housing opportunities.
