**7:00pm**

**Waban Library Center**

Chestnut St. (from Beacon St. to Rt. 9) is scheduled to be repaved in the summer of 2019. Now is a good time to list roadway safety issues and advocate for a safer Chestnut St. Your Ward 5 City Councilors and the Waban Area Council would like to hear about your experiences, particularly at Amherst/Tamworth and Larchmont/Wyman. Please join us at the Waban Library on Monday, July 23<sup>rd</sup> at 7pm.

Ward 5 Councilors Andreae Downs and John Rice will be in attendance. (Councilor Crossley is travelling and unable to attend).

If you are unable to attend the meeting but have comments or suggestions regarding traffic and safety along this stretch, please email WAC President Kathy Winters at [kwinters@newtonma.gov](mailto:kwinters@newtonma.gov). We will compile all comments and forward them to our Ward 5 councilors.
