

**DEPARTMENT OF PLANNING AND DEVELOPMENT
CITY OF NEWTON
Massachusetts**

INTER-OFFICE CORRESPONDENCE

DATE: FEBRUARY 12, 2003

TO: JENNIFER GOLDSON

FROM: MARTHA J. AHERIN HORN 

SUBJECT: FLOWED MEADOW IMPROVEMENT PROJECT –
ADDITIONAL INFORMATION

You have requested additional information on the budgetary portions of the application, examples of benches and a proposed kiosk, plus a map showing the areas where activities are proposed. The large annotated aerial is available for use by the Committee, but a smaller sketch map is enclosed for copying. Copies of the other information are also enclosed.

Regarding the budget, the distance figures came from measuring the pathways using a scale and the GIS measuring tools. The square foot costs of pathway removal, improvements and construction were calculated using figures from other recent City bids for similar work. The tree work, landscape architect and engineering fees and bid costs were calculated by me based on similar recent work at various conservation areas in the City.

Actual costs cannot be ascertained at this point because some of the work will be bid out and some will be completed by volunteers. Until the Eagle Scouts have a firm, approved proposal and the landscape architect has specified the materials and confirmed locations on final plans, it is not possible to provide final figures. The figures noted in the application are my best estimate. I added a 10% contingency to be on the safe side. If the CPC would like to see the final plans and figures prior to our going forward, I will be pleased to do that.

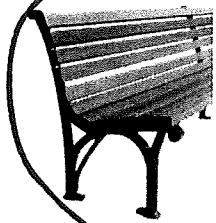

If you need additional information, please let me know.

B-76 Faneuil Hall Bench

B-76 4'	\$649 ⁰⁰
B-76 6'	\$699 ⁰⁰
B-76 8'	\$899 ⁰⁰

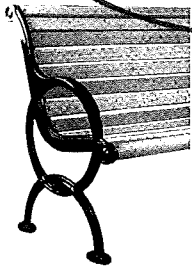

Cast iron or aluminum with hardwood or plastic slat bench available in 4', 5', 6', 8' and custom lengths. This is one of our heaviest units in some of the toughest, highest volume pedestrian traffic areas in the world. Who says beauty can't survive in the real world.

B-18 National Park Bench

B-18 4'	\$699 ⁰⁰
B-18 6'	\$799 ⁰⁰
B-18 8'	\$999 ⁰⁰

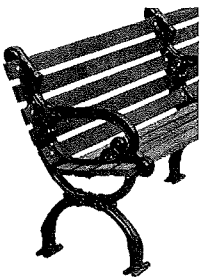

This bench design was originally developed for the heavy use of the National Park Service. It features cast iron with hardwood or plastic seating surface.

B-20 Estabrook Bench

B-20 4'	\$699 ⁰⁰
B-20 6'	\$799 ⁰⁰
B-20 8'	\$999 ⁰⁰

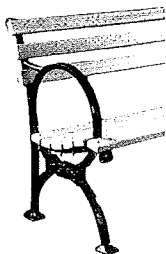

Perhaps our most elegant bench. This beautiful bench's circular design compliments our Model TR-85 Trash Receptacle. It features cast iron stanchions with hardwood or plastic slates. Available in 4', 5', 6', 8' and custom lengths.

B-50 Victorian Bench

B-50 4'	\$549 ⁰⁰
B-50 6'	\$599 ⁰⁰
B-50 8'	\$799 ⁰⁰

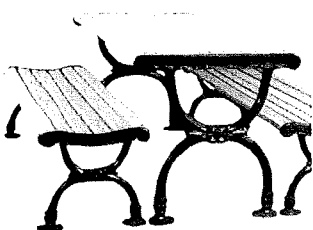

Cast iron with wood or plastic slats. Titan bench products are hand-crafted from the finest materials available. Among the most durable benches made, they are designed to withstand years of use in some of the harshest environments known, and still maintain their lasting beauty, elegance and comfort.

B-16 Worlds Fair Bench

B-16 4'	\$599 ⁰⁰
B-16 6'	\$649 ⁰⁰
B-16 8'	\$849 ⁰⁰

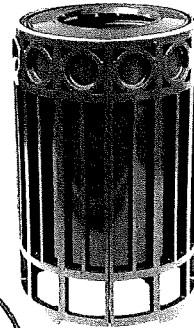

Cast iron/hardwood or plastic slats. Available in 4', 5', 6', 8' and custom lengths. This bench design was made famous at the New York World's Fair, almost 70 years ago.

Picnic Table (PT82) & Plaza Bench (B-77)

B-77 4'	\$549 ⁰⁰
PT-82 4'	\$649 ⁰⁰
B-77 6'	\$599 ⁰⁰
PT-82 6'	\$699 ⁰⁰

- Iron castings
- Hardwood slats
- Plastic slats available
- Polyester powdercoat finish

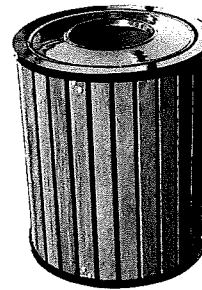

TR-85 Trash Receptacle

23 gal.	\$1,099 ⁰⁰
--------------	-----------------------

Cast Aluminum Trash Receptacle. Craftsmanship at its best. A heavy 23 gallon recycled plastic liner is standard. An attractive compliment to any of our benches.

- Dimensions: 36" H x 22.75" diameter
- Polyester powdercoat finish, in standard black or other available colors
- Standard lid
- Uses 23 gallon polyethylene liner
- Side feed and ash tray options available

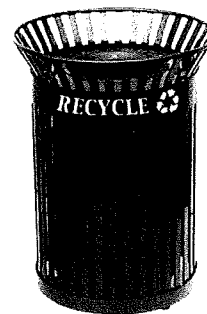

TR-35 Trash Receptacle

23 gal.	\$599 ⁰⁰
--------------	---------------------

This sturdy, handsome trash receptacle will enhance the beauty and appearance of your site. Other features are:

- 24 straight hardwood or plastic slats, finished with option of wood preservative
- Dimensions: 36" H x 25.75" diameter
- Upper and lower rings are cast gray iron
- Polyester powdercoat finish, in standard black or other available colors
- Standard lid
- Uses 23 gallon polyethylene liner
- Ash/trash lid available

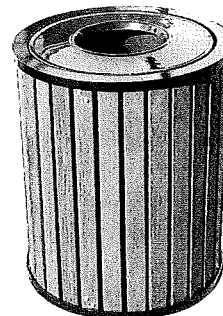

TR-66 Trash Receptacle

23 gal. with or without door	\$699 ⁰⁰
------------------------------------	---------------------

Features adjustable feet with plastic pads and threaded shafts for mounting on uneven surfaces. Other features are:

- 1/4" x 1" aluminum slats
- Dimensions: 35" H x 25.5" diameter
- One centered .437 anchor bolt hole
- Polyester powdercoat finish, in standard black or other available colors
- Standard lid
- Uses 23 gallon polyethylene liner

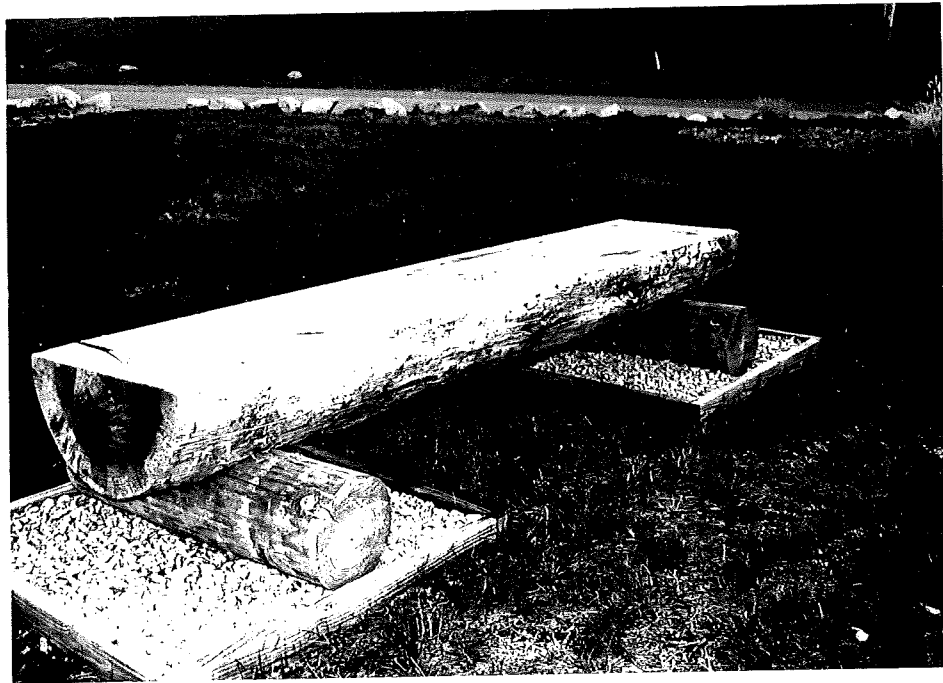

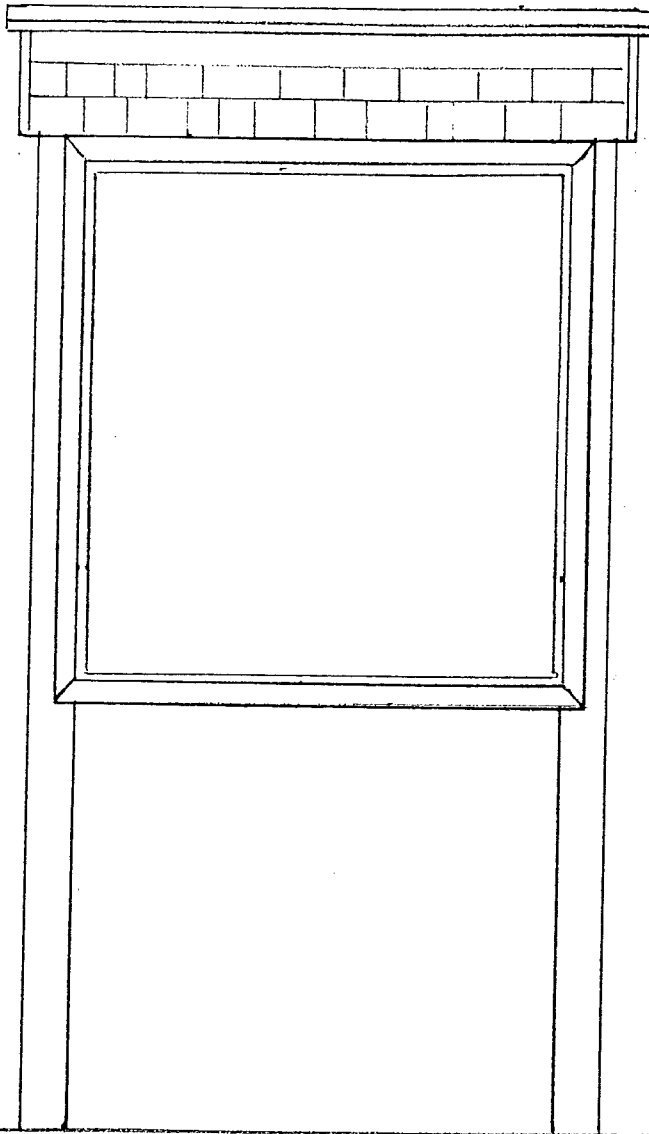

TR-55 Trash Receptacle

35 gal.	\$599 ⁰⁰
--------------	---------------------

Larger than the TR-35, with a more contemporary feel, this Trash Receptacle will compliment your project.

- 28 straight hardwood or plastic slats
- Dimensions: 36" H x 28.75" diameter
- Upper and lower rings are cast gray iron
- Polyester powdercoat finish, in standard black or other available colors
- Standard removable lid
- Uses 33 gallon polyethylene liner
- Ash/trash lid available
