

CLIMATE CHANGE AND NATURAL HAZARDS PREPAREDNESS

RECEIVED

By City Clerk at 11:22 am, May 04, 2020

Our climate is changing and the Town of Needham is developing Climate and Hazard Mitigation plans to prepare for future extreme weather events. The plans will make the Town eligible to apply for funding of town priorities.

We are seeking your feedback on the priorities that should be included in the plans.

To learn about potential hazards facing Needham and provide your feedback please click the link to the website below. The site includes a short survey where you can offer your comments and suggestions about how Needham can best be prepared. Feedback received by May 18 will be included in the final report.
