POSTED
City Clerk

Our climate is changing and the Town of Needham is developing Climate and Hazard Mitigation plans to prepare for future extreme weather events. The plans will make the Town eligible to apply for funding of town priorities.

Please join us for a presentation on natural hazards and climate impacts.

We are seeking your feedback on the priorities that should be included in the plans.

Date: Monday, March 6, 2020
Time: 7:00 PM
Location: Rosemary Recreation Complex
Multi-Purpose Room
178 Rosemary Street
