In accordance with Section 2-6(c) of the Newton City Charter, I hereby call for a SPECIAL MEETING of the City Council to convene on WEDNESDAY, January 8, 2020 at 6:00 PM to deliberate and vote on the following matters and any other matter that may come before it. A motion will be entertained to go into a Committee of the Whole to discuss the following items:

Clerk's Note: The City Clerk's Office, on behalf of the Newton Election Commission, has determined that the citizens referendum petition requesting that the City Council repeal or rescind Council Order #425-18, the change of zone for the Northland parcels at Oak and Needham Streets, has a sufficient number of signatures. Per City Charter, 3,032 certified signatures are required to place this again before the Council. The Clerk's Office stopped certifying signatures at 4,258; 40% more than needed as allowed by City Charter.

The Council must decide whether it will vote to repeal or rescind its decision on Board Order #425-18 or refer the measure to a public vote. If the Council chooses to repeal or rescind its approval, the Council vote must take place within 30 days of January 8, 2020. If the Council's vote on a motion to repeal does not pass, or alternatively if the Council affirmatively votes to refer the measure to the voters, the Council will have 30 days from its vote to set a date for an election. If the Council does not take any action on this item before February 7, 2020, it will automatically be referred to the voters and the Council will have 30-days to set an election date.
