Hi Liz, per our conversation, please reply all to this email asking to postpone the public hearing until April 28th. As we discussed, I believe members of the public will be able to comment because the hearing has already been noticed and advertised. Since this is a virtual meeting, I think it might be best to at least "attend" the hearing to hear any public comment. I placed the two public hearing signs behind the drop box outside the main entrance to City Hall (entrance with the fountain). Please place the \$40 check for the signs in an envelope labeled "Planning/ISD" in the drop box. Please email me pictures of the signs when they are installed and let me know if you have any questions. Thanks. -Neil
