Randy Hart and his transportation team at VHB have been working on a VISSIM simulation for Riverside. Although this is still a work in progress, with a final product a week or two away, we have been asked to share a preview with the Lower Falls and Auburndale neighborhoods.

Thus, this coming Monday evening, Randy and his team will be hosting two virtual sessions, one at 6:00 pm and the other at 6:30 pm. Approximately three minutes of both the am and pm peak periods will be shown. The information for each session is listed below.

Please feel free to reach out with any questions.
