*See explanations below:

- Cases are reported by test date. Counts in previous weeks may change as positive test results become available and are then added to this chart by test date.
- Period covered is Thursday to Wednesday each week.
- This data may not match data reported by the Department of Elementary and Secondary Education due to differing start dates and expanded data categories reported by Newton that DESE is not reporting.
- This information is maintained and updated by the Newton Health and Human Services Department. Questions may be sent to: health@newtonma.gov
