Revised Agenda – 2/16/2017

A public hearing will be held with the Newton Zoning Board of Appeals on Tuesday February 28, 2017 at 7:00 p.m., in Room 211, Newton City Hall, 1000 Commonwealth Avenue, Newton Centre, Massachusetts on the following petition:

#01-17 Debra Waller, 10 Bonaire Circle, Newton, Massachusetts, pursuant to M.G.L. c. 40A, §§ 8 and 15, appealing the December 8, 2016 issuance of a building permit by the Commissioner of Inspectional Services for the installation of a solar integrated canopy on the top deck of the existing garage at 2014 Washington Street (2060), Newton, Massachusetts. The appellant contends that the building permit was improperly issued because: (1) the proposed solar canopy is unnecessary and would pose an unnecessary fire safety risk; and (2) there are reasonable grounds to rescind its issuance under M.G.L. c. 40A, § 3, which allows for the prohibition or regulation of solar energy systems where necessary to protect the public health, safety or welfare. The subject property consists of a 770,337 foot lot in a Single Residence (SR-2) district.
