Dear City Councilors,

I am completely in favor of the plan proposed by Mark Development for Washington Place.

Personally I am looking forward to choices of housing accommodations such as this, as I plan my own living situation if the time comes when I can no longer manage in my Waban home of 40 years. Too, many young people also need and would welcome the opportunity to live in an active village, close to transit, that currently is not available or affordable in the city.

Please vote in favor of this project.

Thank you,

Helen Rittenberg
