Subject: Opposed to rezoning of Orr Block

Councilors,

I live near Newtonville and often walk there and shop there. I like the small town feel of the village. I am opposed to the request for a zone change from Business 1 and Business 2 zones to Mixed use 4 zone for the Orr Block, at Washington and Walnut Streets.

I do not like that the proposed structure would be twice the height of any building there currently. I do not like the large scale of the building nor the enormous floor space.

I think that if there is further development in Newtonville, it should be small scale, similar in size to the shops currently along Walnut Street.

Thank you,
Allan Heff
