Subject: Upcoming Orr Block Voting by the Councilors

 Dear Councilors,

I request you stop this continuing destruction of our Garden City villages by voting against any re-zoning "revisions" (whatever you want to call them) in existing zoning laws.

If developers can't work within the established Newton zoning promulgated by men and women with real Visions of what Newtonians want for their city, well, maybe these developers can find other parts of the state to trample on. Not in Newton.

Thank you,

David Wenstrom
