Subject: The Atrium

Dear Jim and Marc,

As a resident of 280 Boylston Imperial Towers, and an abutter of The Atrium I am very interested about the tenant of The Atrium, called The Atrium Wellness Center. My concerns are:

1. The bacteria and virus will the lab be working on?
2. Are there dangers we should be aware of?
3. Are there health risks?
4. What company is overseeing the lab and their safety record?
5. Will there be safeguards and security present?
6. What is the means of disposing the waste?
7. What are the hours of work?
8. Will there be new traffic patterns. (One way, exits, entrances)?

Thank you in advance. I hope to be present at the hearing Feb. 3, 2015.
