

March 20, 2015

Newton Board of Aldermen,  
We are extremely concerned  
and object to having a  
DNA Medical Laboratory in  
a densely populated residential  
neighborhood as proposed in the  
building that was originally  
the Atrium Mall on Boylston  
Street in Newton, Massachusetts.

Bert Romm  
Laye J. Romm  
336 Boylston Street  
#106  
Newton, MASS - 02459
