Subject: Distance of Orr project from my property

Dear Chairman Laredo,

I can not find out exactly how far back will the Orr Block project be back from my property at 227 Walnut Street and how deep will the foundation be?

I have looked for this information. I just can not seem to find it.

I have heard it said that the project will be 45 feet from my property line.

I would like to see the actual building plan to confirm this.

Thank you for your help Chairman Laredo.

Sincerely,

Gerard.&

Patrick J. Slattery
