Subject: Please stop the Orr Block development

Dear Mayor Warren:

My husband and I have lived in Newtonville for 28 years and are becoming increasingly concerned about the development efforts underway or planned. I wish I had taken the Austin Street project more seriously, because I am not at all happy about it. Nor is the Orr Block plan my idea of "progress." Please save Newton from looking like the appalling Newton Corner development, which is universally loathed. The idea that we would lose control of local development is a nightmare. I have written to Cynthia Creem to ask that she vote against S.2311.

Thanks very much.
