RE: Aldermanic Meeting

To Whom it May Concern:

This letter is in support of our neighbors Steve Guillette and Frances O'Brien in their petition to obtain a special permit/site plan approval from the Land Use Committee to extend a non conforming structure.

Mr. Guillette and Ms. O'Brien are very considerate neighbors and maintain their property in impeccable condition. In our opinion, any addition to their dwelling will not adversely impact any of the abutting property.

Sincerely,
Susan M. Murray & Wayne J. Merritt

They have diligently made there home look terrific and increase the value to all our homes. They are wonderful neighbors.

Please grant his request for special permit to allow the addition.
