Dear David,

I'm writing in support of the Washington Place development. I believe it is an appropriate scale for the area, particularly in light of our city's need to concentrate development in our village centers. I also feel that the new units provide needed low/moderate income housing for Newton.

Unfortunately, I can't participate in this evening's public hearing but I wanted to voice my thoughts on the project. Thanks for your consideration.

(ps I hope you're doing well!)
