RE: Funding for Horace Mann School Public Information Plan for Site Clean-up

Dear Mayor Warren:

The Public Buildings Department respectfully requests the following funding for a Public Information Plan regarding the Site Clean-up at the Horace Mann School, as a result of the receipt of the attached Petition from ten (10) City of Newton citizens, who are requesting a Public Information Plan for the Site Clean-up at the Horace Mann School for an oil leak that occurred in 1998, the City of Newton must have our LSP prepare the proper documentation required for this DEP Process, attend and preside at Public meeting(s) regarding this matter.

The initial anticipated cost for this work is \$15,000, with potentially additional costs depending on the outcome of the results of this PIP and Public meeting(s).

Sincerely,

Josh Morse
Public Buildings Commissioner

MEMORANDUM

April 6, 2017

TO: Maureen Lemieux, Chief Financial Officer/Chief of Staff

FROM: Barney Heath, Director of Planning & Development 

SUBJECT: Economic Development Strategy Request

The City recently completed comprehensive studies for both our housing and transportation sectors, along with a corresponding implementation strategy for each. As we look ahead to the next fiscal year and beyond, we would like to undertake a similar data-driven analysis of the City's economic development sector along with specific policy recommendations and a corresponding implementation strategy.
