#131-14

CITY OF NEWTON

IN BOARD OF ALDERMEN

May 19, 2014

ORDERED:

That the Board, finding that the public convenience and welfare will be substantially served by its action, that the use of the site will be in harmony with the conditions, safeguards and limitations set forth in the Zoning Ordinance, and that said action will be without substantial detriment to the public good, and without substantially derogating from the intent or purpose of the Zoning Ordinance, grants approval of the following SPECIAL PERMIT/SITE PLAN APPROVAL to allow a single free-standing sign, as recommended by the Land Use Committee for the reasons given by the Committee through its Chairman, Alderman Marc Laredo:

1. The erection of a single free-standing sign on a site with low visibility from Washington Street, which is a major commercial corridor, is in the public interest as it will improve way-finding for customers and will provide visibility to an otherwise isolated business along Washington Street. (30-20(1))
2. The location of the proposed free-standing sign will not create a nuisance or serious hazard to pedestrians or vehicles, as the sign is set back from any pedestrian or vehicular travel way. (30-24(d)(3))
