Subject: Marihuana dispensary

To Whom it may concern:

I am the business owner of Newtonville Dental Associates located at [701 Washington St.](#) Newtonville which is the building adjacent to this location considering the marijuana dispensary. I am against allowing a marijuana dispensary being allowed at this location for the following reasons:

- Traffic congestion in a dangerous section of Washington Street which already needs a traffic light at the intersection of Harvard and Washington.

- There will be parking issue for my patients with the increased business.

- I feel the dispensary will hurt property values and project a poor image for the neighborhood and the City of Newton.

Feel free to call me if you'd like more information and my thoughts.

Regards,
Scott R. Helle, DMD
