CITY OF NEWTON  
IN CITY COUNCIL

June 6, 2016

2016 JUN - 8 AM 10:00  
CITY OF NEWTON

ORDERED:

That the City Council, finding that the public convenience and welfare will be substantially served by its action, that the use of the site will be in harmony with the conditions, safeguards and limitations set forth in the Zoning Ordinance, and that said action will be without substantial detriment to the public good, and without substantially derogating from the intent or purpose of the Zoning Ordinance, grants approval of the following SPECIAL PERMIT/ SITE PLAN REVIEW to allow a day care center by waiving the associated on-site parking requirement, the requirement of screening outdoor play areas, and on-site drop-off and pick-up parking requirements of the Newton Zoning Ordinances, as recommended by the Land Use Committee for the reasons given by the Committee, through its Vice Chair, Councilor Greg Schwartz.

1. The use will not adversely affect the neighborhood. (§7.3.3.C.2)
2. The proposed waivers of parking and screening requirements will not create a nuisance or serious hazard to vehicles or pedestrians. (§7.3.3.C.3)
3. Literal compliance with the parking, vegetative buffer, and pick up/drop-off stall requirements is impractical due to the location and the nature of the use. In addition, these exceptions will be in the public interest. (§5.1.13)
4. A day care use in this location is consistent with the 2007 *Newton Comprehensive Plan*, which supports strengthening viable businesses and services that contribute to the vitality of Newton.
