Dear Linda Finucane, Assistant Clerk of the Board of Alderman

Rox Diner requests that the Board of Alderman suspend the rules for Rox Diner's petition to waive eight (8) parking stalls associated with our request to increase our seating. The Board Rules classify as a "Major Project" any project that requests a waiver of more than five (5) parking stalls and impose a time restriction from filing between June 1<sup>st</sup> and July 20<sup>th</sup>. We wish to be heard in August, since it is our understanding the Land Use Committee has a full schedule with a major project scheduled for September.

Thank you very much
