Subject: special permit application of Bernard Bunner for 454 Walnut St

June 3, 2014

Dear Board members,

I am the owner of 462 Walnut St. My neighbor Bernard Bunner informed me of his planned remodelling project at his property at 454 Walnut St, including the construction of a new shed and a new dormer. He told me that he was applying for a special permit in order to obtain relief from rules concerning the location of the shed (extension of a non-conformity) and the dormer (absence of roof line break). I have discussed the project with Bernard, am aware of his plans, believe that they will benefit our neighborhood, and write in support of his special permit application.

Best regards,

Saeed Mossavat
