

March 4<sup>th</sup>, 2015

Dear Aldermen:

I live at 26 Waldorf Road, which is across from the house of Beth Kirsch at 27 Waldorf Road in Newton. I am aware that she is seeking a special permit to allow parking for more than 3 people attending chocolate-making classes. I support her application for this permit and am not concerned about additional cars parking on the street for her classes.

Sincerely,

Bernarda Montes de Oca
