TO: Land Use Committee of the Board of Aldermen
FROM: Candace Havens, Director of Planning and Development 
MEETING DATE: July 30, 2013
CC: Board of Aldermen
Planning and Development Board

On July 23rd, the Land Use Commission reviewed possible findings for approval of The Station at Riverside in a draft Board Order. The Board Order is being revised to reflect the Committee's recommendations and will be sent electronically to Board members and posted online on Monday so they are available for review by the Land Use Committee on the 30th. Due to the number of items scheduled for review that night, it is likely that discussion of the Board Order will be limited to review of the updated findings only; review of Board Order conditions will be considered on August 6th.
