Crescent Street Housing and Reverend Ford Playground Expansion Project

Project Update

Public Input Meeting

September 26, 2017

6:30 pm to 8:30 pm ~ Presentation and Q&A

Graciously hosted by the
**Auburndale
Community Library
375 Auburn Street**

At this meeting, the design team will update the community on the project design on the park and housing. There will be schematic design concepts for public viewing and comment. The Project Team will consider all feedback to move forward on a single path for the Site Plan Approval Process.

You will meet:

The Design Team

David Eisen, FAIA, Partner, Abacus Architects + Planners
David Pollak, AIA, LEED AP, Partner, Abacus Architects + Planners

The Owner's Project Manager Team

Rudy Barajas, Construction Services Manager, City Point Partners
Michelle Ciccolo, President & CEO, The Ciccolo Group

The Landscape Architect

Deneen Crosby, Principal, Landscape Architecture, RLA Crosby | Schlessinger | Smallridge, LLC

Along with your project representatives, the Crescent Street Working Group and members of the Parks and Recreation, Planning and Development, and Public Buildings departments.
