

GENERAL NOTES

42-14

THE NEW TANDEM GARAGE FUNCTION NEEDS AN EXPANDED DRIVEWAY WIDTH FOR CIRCULATION TO GARAGE PAST A PARKED VEHICLE. THE EXISTING NARROW LAWN AREA IS TOO LIMITED TO SUPPORT ORNAMENTAL PLANTINGS. IT DOES AND WILL CONTINUE TO SERVE AS SNOW STORAGE.

PLANTING NOTES

A PROPOSED EVERGREEN HEDGE EXTENDS FROM THE EXISTING ARBORVITAE HEDGE PROVIDES PARTIAL SCREENING FOR THE PROPOSED ADDITION.

KEY

- A. EXISTING ARBORVITAE HEDGE
- B. EXISTING SMALL DECIDUOUS TREE
- C. EXISTING GOLD THREAD FALSECYPRESS
- D. EXISTING BURNING BUSH PLANTING AT #52
- E. EXISTING MATURE HEMLOCK TREES
