Dino (and Cindy),  
I've been hospitalized for the last 2  
weeks! My folks bought their house in 1937 so  
I've known the Visco's almost all of my life.  
My grandparents lived at 262.  
I love the Visco house and would be  
very sad to see it torn down. Your plan sounds  
like a good one. (Mary and I are very good pals;  
my husband Bob has been a big help.)

Regards,  
Lorraine C.
