Linda, Stephen,

In reference to 360 Nevada Street:

Please accept this as a formal request to change my hearing date from this September to the November 18th meeting date.

I have been asked to travel to the west coast for work and will not be back in time for the September meeting.

Thank you very much for all your help.

Hi Linda,

Henry Delicata, the petitioner for 358-360 Nevada Street needs to continue his public hearing date until October or November, as he cannot be here for the September date. Could you send me the Public Hearing dates for those months so Henry can figure out which works best for him.

He can send you an email similar to the last one requesting that his hearing date be moved.

Thanks!

Stephen,

As per our conversation today, I will not be in town for the July hearing and understand that you will process my application for the September hearing. In order for you to proceed I would like to waive my right to be heard within 60 days of filing the application and look forward to the September hearing date.

Thank you.

Stephen,

Attached is a copy of the required survey, from Boston Survey. I will be coming by later this week. What would be a good day and time for you?
