RECEIVED  
Newton City Clerk  
2018 APR 19 PM 3:38  
David A. Olson, CMC  
Newton, MA 02459

ORDERED:

That the City Council, finding that the public convenience and welfare will be substantially served by its action, that the use of the site will be in harmony with the conditions, safeguards and limitations set forth in the Zoning Ordinance, and that said action will be without substantial detriment to the public good, and without substantially derogating from the intent or purpose of the Zoning Ordinance, grants approval of the following SPECIAL PERMIT/SITE PLAN APPROVAL to further increase the nonconforming floor area ratio from .51 to .53, where .36 is the maximum allowed by right, as recommended by the Land Use Committee for the reasons given by the Committee, through its Chairman, Councilor Gregory Schwartz:

1. The proposed increase in the nonconforming floor area ratio from .51 to .53, where .36 is the maximum allowed by right is not substantially more detrimental than the existing floor area ratio is to the neighborhood and the structure will be consistent with and not in derogation of the size, scale, and design of other structures in the neighborhood because the addition will replace an existing enclosed porch and be compatible with the architecture of the dwelling (§3.1.9 and §7.8.2.C.2).
