APPLICATION COMPONENTS

For each permit application, the submission of inaccurate information or an incomplete application may delay the review and approval process for said permit. The items needed for a complete application will vary by permitting process, but generally include:

FORMS: A completed General Application and the project-specific permit application form. The signature of the Property Owner (or the Owner's legal representative) and the Applicant/Agent are **mandatory** on the General Permit Application.

FEES: To process any land use permit application, it must be submitted with the appropriate fee. The permit fee will vary by permitting process. All fees are subject to change, please contact the Department of Planning to verify the current fee.

SUBMITTALS: Each permit should also be accompanied by the necessary supporting documentation. The items needed to explain a project may vary, please refer to the permit application for the typical documents submitted for each permit application or contact a city planner. All applications should be submitted in hard and digital formats.

SUBMITTING THE APPLICATION

Bring the complete application to the Planning Department (at Inspectional Services customer service counter), on the second floor of City Hall at 1000 Commonwealth Avenue. A planner will review the application, answer any questions you may have and explain the next step of the permitting process.

If you have questions about an application or application process, please call the Department of Planning at (617) 796-1120 or visit the Planning Department, Monday-Friday: 8:30 a.m. to 5:00 p.m., and Tuesday 8:30 a.m. to 8:00 p.m.
