

Affidavit of Michael Haiminis
Tenant of 35 A Lincoln Street

My name is Michael Haiminis. My wife Sarah and I are the owners and operators of Village Kids at 35 A Lincoln Street Newton Highlands. We have been a tenant of the Applicant Evelyn P. Greenspan Trust for over twenty five years.

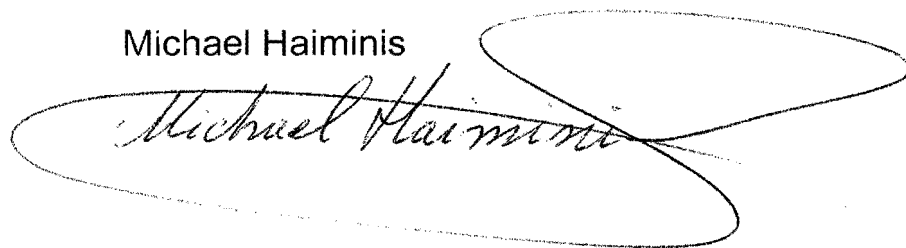

In 1990 the Landlord striped the lot and put numbers on each space and then assigned to each tenant parking spaces, for tenant and employee use. I also have permission to have a dumpster. The design and use of the parking lot works well for all of the tenants. We have had no problems and value highly the fact that we do have such parking available; as well as a place to receive deliveries and merchandise. We cannot afford to lose these parking spaces that we have used and come to rely upon.

Each tenant knows who belongs there and we are able to police vehicles that do not belong there. In short, we need the parking lot to stay the way it is; as it works well for all of us.

I would like to have attended the Land Use Committee hearing on November 13, 2012; but unfortunately I shall be away on business.

Signed under the pains and penalties of perjury this 7th day of November 2012.

Michael Haiminis
