Re: 143 Lincoln Street
Petition #366-14

Dear Mr. Chairman:

We understand that the statutory 90-day period during which the Board of Aldermen must act on the above-referenced special permit petition will expire on June 29, 2015. The most recent efforts to address certain neighbors' concerns has resulted in production of a set of plans that the neither the Land Use Committee nor the Board will have seen. Accordingly we would like to request that the matter be referred back to the Land Use Committee for consideration of these plans. To accommodate this review, my client has agreed to extend the statutory time for action by the Board until Thursday, July 16, 2015.

Thank you for your consideration.

Sincerely,

Terrence P. Morris
