

Development Review Team (DRT) Meeting Snapshot

Week of January 4, 2021

This week we have *virtual* DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
Riverside	Amendment to the Special Permit which will affect the use and height of Building 2, and text amendments to the MU3 district (MU3, Ward 4)
2163 Commonwealth Ave	Proposed extension/alteration of a two-family dwelling (SR3, Ward 4)
967-979 Washington St	Proposed rezoning of parcel to MR4 for the construction of a four-story 28-unit building with ground floor retail (MR3, Ward 2)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
