

The Waban Area Council and the Newton Highlands Area Council will be hosting a community discussion about future planning in our neighborhoods at 7 PM on Tuesday May 31 at the Waban Library Center. The discussion will focus on both residential and commercial areas, and will include discussion of zoning, design, transportation, historic presentation, and stimulating economic vitality. Ideas developed based on community input at past meetings will be presented and discussed. This will be a highly participatory event with community input an essential driver of the meeting. The goal is to develop a set of recommendations for a better Newton.

The location of this meeting is handicap accessible, and reasonable accommodations will be provided to persons requiring assistance. If you need a special accommodation, please contact the city of Newton's ADA Coordinator, Jini Fairley, at least two business days in advance of the meeting: jfairley@newtonma.gov or [\(617\) 796-1253](tel:6177961253). For Telecommunications Relay Service, please dial 711.
