

Development Review Team (DRT) Meeting Snapshot

Week of January 25, 2021

This week we have *virtual* DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
100 Exeter St	Possible variance for lot coverage and/or Special Permit for floor area ratio (FAR) (SR1, Ward 3)
667 Boylston St	Special Permit for four attached dwelling units in two structures and waivers from side setback requirement (MR1, Ward 6)
60 Austin St	Proposed new for-profit educational use (BU5, Ward 2)
12 Louise Rd	Special Permit for retaining wall in the setback (MR1, Ward 8)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
