

# Development Review Team (DRT) Meeting Snapshot

Week of February 3, 2021

This week we have *virtual* DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
28 Harrington St	Special Permit to construct oversized dormers and exceed the allowed floor area ratio (FAR) for existing two-family dwelling (MR3, Ward 3)
14 Lawrence Rd	Special Permit to exceed allowed floor area ratio (FAR) by constructing a one-story addition to existing single-family dwelling (SR1, Ward 7)
27 Sargent St	Special Permit for proposed approx. 570 square foot detached accessory apartment in modified existing garage (SR1, Ward 7)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
