

Development Review Team (DRT) Meeting Snapshot

Week of February 22, 2021

This week we have *virtual* DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
229 Bellevue St	Special Permit and/or variance to enlarge a detached garage (MR1, Ward 1)
244 Dudley Rd	Proposed construction of garage for a car collection and other structures (SR1, Ward 8)
383-387 Boylston St	Proposed 12-unit multi-family dwelling with underground parking (BU1, Ward 6)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
