

Development Review Team (DRT) Meeting Snapshot

Week of March 1, 2021

This week we have *virtual* DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
20 Devon Rd	Special Permit to exceed the allowed floor area ratio (SR2, Ward 6)
17 Wayne Road	Special Permit for extension of a nonconforming structure (SR2, Ward 8)
104 Needham St	Special Permit for free standing sign and parking lot reconfiguration (MU2, Ward 8)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
