

Development Review Team (DRT) Meeting Snapshot

Week of March 22, 2021

This week we have *virtual* DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
4 Clarendon St	Special Permit to extend a single-family dwelling's nonconforming front setback (MR1, Ward 2)
172 Spiers Rd	Possible variance for detached garage within a single-family dwelling's front setback (corner lot) (SR3, Ward 8)
11 Florence St	Proposed assisted living facility with memory care component (MR1, Ward 8)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
