

Development Review Team (DRT) Meeting Snapshot

Week of April 12, 2021

This week we have *virtual* DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
967 Washington St	Rezoning to MU4 to allow approx. 27-unit dwelling (MR3, Ward 2)
445 Washington St	Special Permit to convert existing two-family to multifamily dwelling, incl. relief for lot area per unit, lot size (MR2, Ward 1)
162 Lowell Ave	Discussion re potential multi-unit residential project (MR1, Ward 2)
1134-1136 Beacon St	Special Permit for waiver of required parking stalls for a restaurant (BU2, Ward 6)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
