

# Development Review Team (DRT) Meeting Snapshot

Week of April 26, 2021

This week we have *virtual* DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
416-418 Langley Rd	Possible expansion of residential use of two adjacent lots each currently occupied by a single-family home (BU1, Ward 6)
1930-1932 Commonwealth Ave	Special Permit for four attached single family dwellings in two two-unit structures (MR1, Ward 4)
39 Adella Ave	Special Permit for accessory apartment at single-family dwelling (SR3, Ward 3)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
