Health Plans

Under age 65/Not Medicare eligible:

If you and/or your spouse are under the age of 65 or are not eligible for Medicare, this is an opportunity for you to review the plans offered and determine which one best fits your needs. The City of Newton currently offers three plans through Harvard Pilgrim and Tufts Health Plan. These plans are HPHC HMO, Tufts EPO and Tufts PPO. It is important to note that Tufts and Harvard have merged but this will not impact your coverage. The rates for all plans are increasing by 4.0%.

Over age 65/Medicare eligible:

If you and/or your spouse are over 65 and are Medicare eligible, this is your opportunity to enroll in Tufts Medicare Complement. Open enrollment for Tufts Medicare Preferred and BCBS Medicare HMO Blue are held in the fall. To enroll in Tufts Medicare Complement, please complete an enrollment form for that plan and a disenrollment form for your old plan, if applicable.

All forms and benefit summaries can be found on the City of Newton Retiree Benefits website at: newtonma.gov/openenroll. Please check out the open enrollment online calendars for daily wellness and informational sessions with the carriers.

If you are unable to access the forms online, please contact our Benefits staff at **617-796-1262**.

Guardian Dental Plan

The City offers a retiree dental plan through Guardian Dental. The rates are decreasing by 3.0% in FY22. Please visit the Human Resources Department website for more information regarding this plan.
