

What future do you envision for Newton's village centers?

The City of Newton wants to hear your experiences and ideas to inform zoning update proposals!

From late May through September, participate in:
online survey // a self-guided Vision Kit

Go to newtonma.gov/zoningredesign/vc

 @Newton Planning and Development  @NewtonPlanning

Additional Engagement

In addition to the Vision Kit and the online survey, Focus Groups will be hosted for renters, younger people (ages 15-35), BIPOC (Black, Indigenous and People of Color), people with disabilities, LGBTQ+, creative community, and older adults (65+). There is also a parallel engagement effort for the business communities of Newton. Please fill out an interest form or register at newtonma.gov/zoningredesign

What is Zoning Redesign?

Zoning is important because it sets the rules for what and where things can be built. Zoning Redesign is the city's ongoing plan to update our zoning code to better reflect Newton's ambitious goals around housing, transportation, economic development, and climate action, overseen by the elected councilors on the Zoning and Planning Committee.

Language Accessibility

*The survey can be opened in whatever language the user's browser is set to and the Vision Kit is available in English, Spanish, Chinese & Russian.

La ciudad de Newton desea conocer cómo es su experiencia con los centros de los pueblos y cómo imagina su futuro en lo que respecta a actualizaciones de zonificación. Utilice el **Kit de visión** (Vision Kit) o **complete la encuesta**:

牛頓市希望了解您對鄉村中心有何體驗，以及您對其分區更新措施的前景有何設想。請使用願景套件 (Vision Kit) 或完成調查：

Администрации г. Ньютон важно услышать ваше мнение о жизни в пригородных поселениях и какими они станут после территориального зонирования в будущем. Используйте Vision Kit либо заполните опросную анкету:
