Curbside Cart Collection

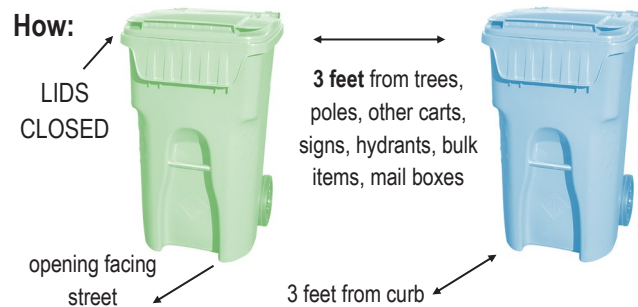

Households served by the City's waste collection program are issued 2 carts: a **blue cart for trash** and a **green cart for single-stream recycling**. The carts provide an equitable solution for collection services.

As stated in Chapter 11 of Newton's ordinances, **all Newton residents are responsible for sorting and properly preparing household waste and recyclable materials for collection.**

Setting Waste Out for Collection

When: by 7am on your collection day, or as early as 4pm the day before

How:
