

# Development Review Team (DRT) Meeting Snapshot

Week of June 21, 2021

This week we have *virtual* DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
50 Highland Ave	Special Permit for four single family attached dwelling units incorporating existing historic house (MR1, Ward 2)
15 Terrace Ave	Special Permit to allow a second parking stall within the front setback (SR2, Ward 6)
43 Philmore Rd	Variance to exceed lot coverage by constructing a covered front porch (SR2, Ward 7)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
