#239-21 **Request for ordinance amendment to include effective date for dog fee licenses**
ACTING CITY CLERK requesting an amendment to Chapters 3 Section 23 and Chapter 17 Article II as amended by Ordinance B-76 approved on May 17, 2021, to include an effective date of September 1, 2021 for the change in dog license fees.

Action: **Programs & Services Approved 5-0**

Notes: Chris Sullivan joined the Committee to present on this item. Mr. Sullivan said that there are multiple reasons to amend the ordinance, which raises the fees for both regular and off-leash licenses, to have the September 1 effective date. Roughly 7,000 dog licenses are mailed out between February and March and such an abrupt change to the license fee would likely shock many of these residents and cause confusion. Mr. Sullivan said that many residents have already turned in their fees, with about 1,000 left to be returned, and that it would not be advisable to change the fee right now as it would require them all to be notified of this. He said that the Clerk's Office also needs time to update its own systems and forms, as well as to advertise the fee change to give the public plenty of notice. This delay would also be necessary to work with the online vendor to update the website on this change. Mr. Sullivan said that this approach would hopefully minimize backlash.

It was asked if waiting until September 1 to implement the increased fees would cover everybody who would pay for a renewal? Mr. Sullivan said that it would and added that new residents would receive notice of the new fees upon moving into Newton.

Councilor Albright motioned approval which carried 5-0.

#227-21 Reappointment of Patrick Costello to the Farm Commission
PRESIDENT ALBRIGHT reappointing PATRICK COSTELLO, 392 Wolcott Street, Auburndale, as a member of the FARM COMMISSION for a term to expire on June 30, 2024. (60 Days: 08/06/21)

Action: Programs & Services Approved 5-0

Notes: Councilor Krintzman motioned approval which carried 5-0.

Referred to Programs & Services, Public Facilities and Finance Committees

#237-21 Authorization to move forward with the Feasibility Phase for Countryside Elementary
HER HONOR THE MAYOR requesting authorization to move forward with the Feasibility Phase of the Countryside Elementary School and the acknowledgement that the City will expend not more than \$1,250,000, a portion of which is anticipated to be reimbursed by the Massachusetts School Building Authority (MSBA).

Action: Programs & Services Approved 5-0
Public Facilities Approved 8-0

Notes: Please see the Public Facilities Committee meeting report from June 9, 2021.

RE: Ordinance No. B-76 (#164-21)

In response to Ordinance No. B-76 dated May 17, 2021, I am requesting the City Council reconsider the effective date the increase to dog license fees to begin not until September 1, 2021.

- We mail out approximately seven thousand (7,000) renewable applications to dog owners of Newton each year.
 - Both regular and off-leash.
 - While households do update promptly in early summer, we still are awaiting one thousand (1000) plus to be returned for processing.
 - Would not advise abrupt change without notifying dog owners.
- Time to update and give notice to residents.
 - Need adequate time to notify dog owners who did not respond so they can be prepared for the upcoming change.
 - Via website
 - Mail in flyer with second mailing
 - Advertisement
 - Sandwich boards
 - Periodicals
- Update City Hall Systems.
 - Notify the company that helps us manage our online payments.
 - Changing pricing to reflect internally on our processing system and externally for residents.
 - Update all internal forms.
 - Update all digital forms on website.

Honorable City Councilors:

I respectfully submit this docket item to this Honorable Council requesting the authorization to move forward with the Feasibility Phase of the Countryside Elementary School and the acknowledgement that the City will expend not more than \$1,250,000, a portion of which is anticipated to be reimbursed by the Massachusetts School Building Authority (MSBA). 5. The District hereby acknowledges and agrees that in order to qualify for any funding from the Authority, the District must comply with M.G.L. c. 70B and 963 CMR 2.00 *et seq.* which require the Authority's collaboration and approval at each step of the school facility grant approval process and further acknowledges and agrees that any actions taken, costs incurred or agreements entered into for the repair, renovation or construction of school facilities without the explicit prior written approval of the Authority shall not be eligible for grant funding.

9. The District hereby acknowledges and agrees that, before the Authority can grant final approval of a Project, the District must vote to authorize and appropriate the full amount of funding for the Proposed Project that is necessary to meet the total project budget as agreed to by the Authority and as described in 963 CMR 2.10 (10)(c) and shall use any standard formats and language established or developed by the Authority to draft warrant articles, motions, orders, votes, and ballot questions related to the funding for the Proposed or Approved Project. The District shall submit its draft language for warrant articles, motions, orders, votes, and ballot questions to Authority for its review prior to its publication or use.
10. The District hereby acknowledges and agrees that, in connection with a Proposed Project or an Approved Project, it shall use any standard forms; standard formats for local votes and approvals; standard contract documents; and any standard contract language and clauses that may be established or developed by the Authority, and as may be amended by the Authority from time to time.

12. The District hereby acknowledges and agrees that no Total Facilities Grant, or any portion thereof, shall be disbursed by the Authority for a Proposed Project or an Approved Project until after a Feasibility Study Agreement, where required by the Authority, and a Project Funding Agreement, have been executed by duly authorized representatives of both the District and the Authority.
13. The District hereby certifies that it has provided or will provide the Authority with all Audit Materials requested by the Authority in connection with any Assisted Facility including, but not limited to, Prior Grant Projects, Waiting List Projects, and any other school building projects for which the District has received or will receive funding from the Authority or the Commonwealth. documentation or information that may be requested by the Authority in connection with any Assisted Facility.

14. The District hereby certifies that the school building for which it has submitted a Statement of Interest is not a school building that has been the site of an approved school project pursuant to G.L. c. 70B or chapter 645 of the Acts of 1948 within the ten (10) years prior to the Proposed Project's application date, or, in the alternative, that the Proposed Project would be unrelated to such previously approved project in the same school building. The District acknowledges and agrees that only the Authority, in its sole discretion, can make the determination as to whether a Proposed Project is to be deemed unrelated to a previously approved project in the same school building. Any such determination shall be made in writing by the Authority prior to the execution of this ICC.
15. The District hereby certifies that prior to submitting any part of its Application to the Authority, it has not sold, leased, or otherwise removed from service any schoolhouse operated by the District, or portion thereof, within the last ten (10) years, or that, if it has done so, the Authority has determined in writing, pursuant to M.G.L. c. 70B, § 15(c): (1) that the grant sought by the District is not for the purpose of replacing such schoolhouse, or (2) that the need for the Proposed Project could not have been reasonably anticipated at the time that such schoolhouse was sold, leased, or otherwise removed from service. Further, the District acknowledges and agrees that only the Authority, in its sole discretion, can make the determination as to whether a Proposed or Approved Project replaces a schoolhouse that was sold, leased or otherwise removed from service and whether the need for the Proposed Project could not have been reasonably anticipated at that time. Any such determination shall be made in writing by the Authority prior to the execution of this ICC.
16. The District hereby acknowledges and agrees that, if it sells, leases, or otherwise removes from service an Assisted Facility, or portion thereof, that the Authority may stop making grant payments associated with the Assisted Facility, may recapture the financial assistance that the Assisted Facility has received from the Authority or the Commonwealth, and may decline to approve any future grants for the District.
17. The District hereby acknowledges and agrees that, as part of a Feasibility Study where a new school option is among the options that may be studied, the District shall study potential sites for the Proposed Project and hereby acknowledges and agrees that it shall base its site selection for a Proposed or Approved Project on, among other things, cost and environmental factors, including an awareness of soil conditions and their probable effect on foundation and site development costs, transportation effects, dislocation of site occupants and relationship to other community facilities. The District further

18. The District hereby acknowledges and agrees that throughout the planning and construction of an Approved Project, if such final approval is received from the Authority, the District shall follow procedures and practices satisfactory to the Authority such as will assure maximum attention to the operating and capital cost effects of program and design decisions, materials and systems selections.
19. The District hereby certifies that it is current on any payments that it may owe to the Authority and does not have any outstanding amounts past due to the Authority.
20. The District hereby certifies that it is unaware of any lawsuit filed in a court of law against the Authority to which the District is a party and further certifies that it is unaware of any other lawsuit filed in a court of law against either the Authority or the District in relation to the District's Statement of Interest, Proposed Project, or Approved Project.
21. The District hereby certifies that it has specifically read the provisions of 963 CMR 2:03 (2)(a)-(q) and certifies that it has met or will meet each of the requirements described therein and further acknowledges and agrees that the District's failure to comply with each requirement, as determined by the Authority, may be grounds for, among other things, denial of a Total Facilities Grant, rescission of a Total Facilities Grant already issued, or the suspension, termination, or recoupment of reimbursement payments made by the Authority to the District.
22. The District hereby certifies that it has a school specific Multi-Hazard Evacuation Plan for each school under the superintendent's supervision and is in compliance with Section 363 of Chapter 159 of the Acts of 2000.
23. The District hereby acknowledges and agrees that if the District and the Authority execute a Feasibility Study Agreement or Project Funding Agreement, the District shall promptly develop, implement and actively pursue a fraud, waste and abuse detection and prevention program in connection with any Proposed Project or Approved Project and develop written procedures to detect and prevent fraud, waste and abuse.
